

SERVICE FIRST

TAKING CARE OF OUR COMMUNITY

Collectively we have an incredible amount of resources and talent. Our best investment of those is in our community.

2016 WEDDING & EVENT VENDORS BRIDAL GUIDE

Prospective clients and vendors can find ServiceFirst businesses in a central location. They can be sure these are vendors who are committed to delivering exceptional customer service and community service.

EDUCATION FOR PROSPERITY

What we don't know can hurt us. Regularly refreshing our industry knowledge is an inoculation to mediocrity.

**“I’ve Attended Networking Events. UGH”
So have we. Stale RIGHT?**

Every time we gather, in lieu of admission, each of us will bring support for a sponsored charity. That could mean pet supplies or holiday gifts or perhaps that old jar of change that you seem to keep filling up. A keynote speaker from the sponsored organization will speak to us about their efforts so that we can spread to word.

There will be plenty of time to be social for sure. At our meetings no person will be left by the wayside, everyone will participate and we'll be there to help you along. Accomplishment isn't something we'll leave to chance. We'll create goals for every meeting and ensure that you head for home with tools or inspiration to help your business get to the next level.
